About Kivunim

Kivunim (Hebrew for directions) is designed to increase first-time JCC CEOs/EDs understanding of Jewish life and learning, helping their JCCs to better achieve their Jewish mission. It also provides new execs with the opportunity to share their professional challenges, build a collegial network and benefit from resources offered by JCC Association. The cohort program lasts 12 months and is preceded by an in-person gathering for participants. The program is available by invite to all first time JCC executives.

If you are a **New** JCC/JCC Camp executive director/CEO and you have not been connected to our Kivunim team, please contact Lynn Wittels at L.Wittels@jcca.org
